

Don't miss a beat with big savings on care

Get care in minutes and get back to your life. Now offering care all summer for just \$75 for Drum Corp International members and parents.

Nobody plans to get sick, but it happens to all of us. As you travel the country this year, make sure you always have quick access to the care you need. With DocSquad, you can get care in less than 10 minutes for a fraction of a typical urgent care visit.

Get treated quickly via online interview for just \$25, or connect with a doctor on phone, video, or chat for \$49. For a limited time, pay just \$75 for free visits all summer long.*

We treat hundreds of common issues, including:

-  Bladder infections
-  Stomach problems
-  Eye conditions
-  Cold and Flu
-  Skin conditions
-  Yeast infections

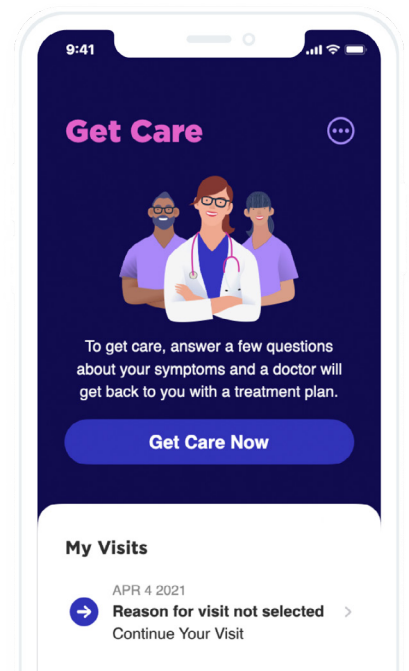

Skip the bills, not your drills
